

# DAVID HUBLER

DESIGNER

## USEFUL CHARTS

### OBJECTIVE

I'm an ambitious chap. I'm gunning to land contract work with either an established company or a promising upstart where my skills as a designer can be put to good use on a daily basis.

### EXPERIENCE

#### BERGMAN ARCHITECTURE

2008-2010 CREATIVE LEAD

Worked closely with the executive team to conceptualize, design and present projects ranging from marketing material and trade show elements to retail store interiors.

#### BARGHAUSEN CONSULTING

2007-2008 CADD TECHNICIAN

Developed working drawings and photo renderings to present for planning department approval. Prepared design boards and presentation materials.

#### SHELBY DEVELOPMENT

2006-2007 ARCHITECTURAL DESIGNER

Conceptualized, designed and branded commercial architectural projects. Presented to clients and jurisdictional municipalities for project approval. Met with clients to discuss design intent and functionality.

#### ADAME LANDSCAPE

2004-2006 PROJECT COORDINATOR / DESIGNER

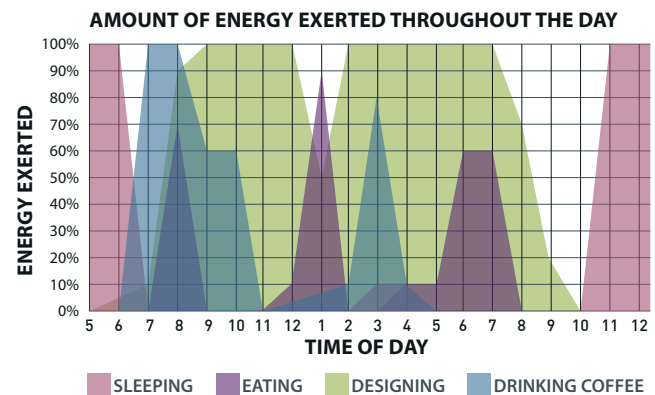

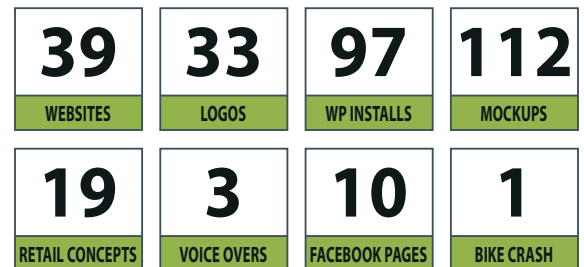

Prepared cost estimates for large-scale community parks and recreation areas. Designed custom landscapes for residential and community projects.

### JUST A BIT ABOUT ME

I've spent my entire working life in the design industry. My project portfolio includes such things as websites, user interfaces, architectural design, interior design, print design, little bits of photography and video editing as well as branding and corporate identity. I am a passionate creative who loves to learn and expand my horizons. I enjoy working in team environments. I'm confident that I can assist in many ways on your project. I look forward to discussing the details with you.
